Alfabetisk namnteckning

Alfabetisk namnförteckning.

(Samuel Wallenberg-ärendet)

./. Utredningsarbetet har efter den 1 mars 1951 för vinnande av större överskådlichkeit bedrivits med hjälp av successivt upprättade arbetsdossierer. I här närslutna förteckning har därför efter varje namn inom parentes angivits numret på den arbetsdossier (således icke den officiella dossieren), vari namnet kan återfinnas. Ett "S" (jämfte därefter följande anteckningar) hänför sig till den av envoyén Sjöberg på sin tid upprättade namnlistan. (Sjöbergs-utredningen omfattade ärendet till och med februari månad 1951; 79 st. namn.)

./. I förteckningen upptagas sammanlagt 233 namn. Anmärkas må, att ett antal som mindre betydelsefulla bedömda namn ur det synnerligen omfattande material, som tillkommit efter den 1 mars 1951, uteläts ur namnlistan. Viktigare namn, som tillkomma efter denna dag avses införas i namnförteckningen understruken med rött. Namnlistor ha dessutom upprättats för varje arbetsdossier. De återfinnas främst i respektive dossierer. Ett exemplar av samtliga dessa namnlistor bifogas härjämte.

Stockholm den 10 juni 1952.
